ADDENDUM NO. 1

FACILITY ROOF REPAIRS

CITY PROJECT NO. 15-BLDG-05

October 15, 2015

The following are responses to questions raised during the bidding process, contract clarifications and scope of work clarifications:

During the Pre-Bid Meeting, a request for an equivalent roofing material was requested. It was stated that all substitutions are to be reviewed by the City prior to bidding.

1. In order for a substitution or equivalent to be considered; the supplier is to provide material data sheets, locations of recently completed projects within the last 12 months and at least project references with contact names and phone numbers.
2. Upon review of submitted information from suppliers, the City has determined that NO substitutions or equivalent materials are accepted for this project.
3. The Approved Roofing Materials are the materials specified in the project specifications.
4. The bid date does not change.
5. All other contract and specification requirements remain unchanged.

Please sign below and attach this "ACKNOWLEDGMENT OF RECEIPT", Addendum No. 1 with your bid submittal documents. Thank you for your cooperation.

Sincerely,

Douglas Benash, P.E.
City Engineer
