La Palma City Council Study Session: General Plan Update

LA PALMA, Calif. – On Tuesday, January 17, at 7:00 p.m., the La Palma City Council will be conducting a Study Session regarding the General Plan Update inside the Council Chambers at La Palma City Hall, 7822 Walker Street. Interested members of the public are encouraged to attend and provide comment to the City Council.

The purpose of La Palma's General Plan Update is to revisit the community's vision for the future, refresh its strategies to contemplate current market conditions, and to reflect changes in State legislation. The City Council has elected to update the City's General Plan and has retained Hogle-Ireland as lead consultant for this task. As part of the community engagement program, the consultant has been meeting with the City's residents, citizen committees, businesses, and other agencies (i.e. School Districts) to gather input from local stakeholders. The issues identified through this process will set the foundation for the General Plan Update. The direction provided by the City Council and community during the Study Session will aid the consultant team and staff in further developing the General Plan update. Documents related to the General Plan Update are available for viewing on the City's website, www.cityoflapalma.org/GeneralPlan or at City Hall.
