LA PALMA CITIZEN COMMITTEE VACANCIES

LA PALMA, Calif. – Citizens of the City of La Palma are invited to submit applications for current and upcoming vacancies on three Council Appointed Committees – the Community Activities and Beautification Committee, the Development Committee, and the Traffic Safety Committee.

The Community Activities and Beautification (CAB) Committee works with City staff to coordinate City special events including Memorial Day, Concerts in the Park, and the annual Holiday Tree Lighting event. CAB committee members also assist the City in planning the annual La Palma Days event. CAB members meet on the second Tuesday of each month from September to June. The CAB Committee currently has two vacancies, with varying terms, and another five vacancies with four-year terms will be created when the incumbents' terms expire on December 31, 2008. Up to three of these vacancies may be filled by youth representatives.

The role of the Development Committee is to review and evaluate plans for new construction in the City, and act as an advisory body to the Planning Commission. The Planning Commission relies on the Development Committee's expertise in ensuring that every project meets the high standards maintained throughout La Palma. The Development Committee meets every other month on the second Monday of the month, with special meetings conducted on an as-needed basis. Three vacancies with four-year terms will be created when the incumbents' terms expire on December 31, 2008.

The role of the Traffic Safety Committee is to identify and make recommendations to the Council on improvements in La Palma traffic conditions. The Traffic Safety Committee meets

quarterly, with special meetings conducted on an as-needed basis. Two vacancies with four-year terms will be created when the incumbents' terms expire on December 31, 2008.

Applications for all vacancies are available on the City's website at www.cityoflapalma.org or at City Hall. Please note, the applications are due back to the City Clerk's office by October 30, 2008; however, this deadline may be extended if an inadequate number of applications are not received.
