## **Community Workshop for Block Wall Beautification Project**

*LA PALMA, Calif.* – The City of La Palma will conduct a Community Workshop to discuss the beautification of arterial block walls in the City. The workshop will be held on Thursday, June 3, 2010, at 7:00 p.m. in the Royal Palm Room, located at the La Palma Community Center, 7821 Walker Street. The workshop will consist of a presentation by city staff followed by a question and answer session.

Although the block walls that border arterial streets are not owned or maintained by the city, the City Council has found that the community as a whole would benefit from a facelift of these aging structures and has included funds in this year's budget to paint all the arterial block walls in the community, at no cost to residents.
