She stated that the Committee is recommitted to taking an active role, including a goal of reducing demands on City staff and improve their own attendance at CAB Committee events.

On behalf of the Committee, Chair Eliff thanked the Council for following-up on the finance/budgetary concerns expressed at the last meeting, specifically addressing the policy of using funds that the CAB Committee feels it has generated. She stated that the group is actively seeking sponsors for Concerts in the Park, in fact, 40 have been identified. She also thanked the Council for granting the summer hiatus.

Chair Eliff, and other members of the CAB Committee, alerted the Council to an upcoming potential program that they would like to implement, a revamping of the City's arts program, specifically a Cultural Education and Community Outreach community. The CAB Committee is analyzing the components of the proposed program, is seeking outside funding, and will come back to the Council at a later date with more information.
