

CITY OF LA PALMA  
ADDENDUM NO. 2

ORANGETHORPE AVENUE REHABILITATION PROJECT  
CITY PROJECT NO. ST-353

JUNE 4, 2020

**TO ALL BIDDERS:**

Clarifications/Questions from Contractors.

The following addresses questions and offers clarifications for the project referenced above received by the City from Contractors and the information below will be incorporated into the project per this Addendum.

**1. BID DATE CHANGE – NO CHANGE FROM ADDENDUM NO. 1:**

The City of La Palma changes the bid date noted in the Notice Inviting Bids of Wednesday, May 20, 2020 to Wednesday June 10, 2020.

**2. BID PROCEDURE CLARIFICATION – NO CHANGE FROM ADDENDUM NO. 1:**

**THE FOLLOWING REPLACES THE DIRECTIONS PROVIDED IN THE NOTICE INVITING BIDS FOR THE DELIVERY OF SEALED PROPOSALS;**

The City will receive sealed proposals at the office of City Engineers, Community Services Building, 7821 Walker Street, La Palma, California, until 2:00 PM on Wednesday, June 10, 2020 for the furnishing of all labor, materials and equipment for Orangethorpe Avenue Rehabilitation Project, City Project No. ST-358.

The sealed envelopes/proposals shall be deposited into the box labeled “Public Works” at the front door of the Community Services Department. Staff will then pick up and date stamp the envelopes/proposals. After 2:00 PM, no further proposals will be accepted, staff will collect all proposals and will direct attending contractors to an area to publicly open the bids and provide the results.

**3. REVISED BID SCHEDULE:**

The revised bid schedule is attached, dated June 4, 2020. Please utilize the attached bid schedule with your bid submittal.

**4. ADDITIONAL BID ITEM DESCRIPTIONS:**

REVISED BID ITEM NO. (19), TRAFFIC SIGNAL COMMUNICATION CONDUIT INSPECTION, INSTALLATION AND WIRE SPLICING/CONTINUITY TESTING FROM WALKER TO VALLEY VIEW ON ORANGRETHORPE:

The City of La Palma requires the contractor to inspect the City's traffic signal communication conduit and test for wire continuity of the existing conduits and pull boxes on Orangethorpe from Walker to Valley View signals. The contractor shall install 250 lineal feet of 2 inch rigid metal conduit along the north side of Orangethorpe from the at the northwest corner of Orangethorpe/91 FWY off ramp, going easterly 240-250 lineal feet to an existing pull box, install twisted wire pairs to match existing, splice and make operation. All work shall conform to the Standard Specifications, Caltrans Specifications and the National Electrical Code (NEC).

**CONSTRUCTION METHODS:**

Inspection and testing shall comply with applicable codes and specifications.

**MEASUREMENT AND PAYMENT:**

Payment for this Bid Item shall be per contract lineal feet unit price for inspection, installation and testing and shall include full compensation for material, labor, tools, equipment and incidentals and no additional compensation will be allowed, therefore.

**BID ITEM NO. (20), : CITY HALL SIDEWALK REPAIRS**

The City of La Palma requires the repairs of the areas of the surrounding sidewalk around City Hall per the plan and specifications provided in Addendum No. 1. All work shall comply with the Project and Standard Specifications.

**CONSTRUCTION METHODS:**

Construction shall comply with applicable codes and specifications.

**MEASUREMENT AND PAYMENT:**

Payment for this Bid Item shall be per contract lump sum unit price for the sidewalk repairs and shall include full compensation for material, labor, tools, equipment and incidentals and no additional compensation will be allowed, therefore.

**BID ITEM NO. (21), CITY HALL HANDRAIL REPAIRS:**

The City of La Palma requires the repairs of the surrounding handrail around City Hall per the plan, including painting the entire handrail on all sides, and specifications provided in Addendum No. 1. All work shall comply with the Project and Standard Specifications.

**CONSTRUCTION METHODS:**

Construction shall comply with applicable codes and specifications.

**MEASUREMENT AND PAYMENT:**

Payment for this Bid Item shall be per contract lump sum unit price for handrail repairs and shall include full compensation for material, labor, tools, equipment and incidentals and no additional compensation will be allowed, therefore.

**BID ITEM NO. (22), SOFFIT LIGHT INSPECTION/REPAIR:**

The City of La Palma requires the contractor to inspect the City's highway soffit lights in the freeway bridges on Orangethorpe and Walker. The contractor shall inspect, check continuity, power and replace bulbs/lens as

necessary to make all lights operational. All work shall conform to the Standard Specifications, Caltrans Specifications and the National Electrical Code (NEC).

CONSTRUCTION METHODS:

Inspection and testing shall comply with applicable codes and specifications.

MEASUREMENT AND PAYMENT:

Payment for this Bid Item shall be per contract per each unit price for inspection and testing and shall include full compensation for material, labor, tools, equipment and incidentals and no additional compensation will be allowed, therefore.

Please sign below and attach this "ACKNOWLEDGMENT OF RECEIPT", Addendum No. 1 with the Bid submittal documents. **Failure to submit the signed Addendum No. 2 Acknowledgement will render the contractor's bid as non-responsive.** Thank you for your cooperation.

Sincerely,

Douglas Benash, P.E  
City Engineer

**Note: Contract will be awarded based on the total bid price [La Palma and Buena Park Segments] to the lowest responsible bidder. The City reserves the right to award a contract based on any combination of the bid items and/or bid alternative items.**

It is understood and agreed that:

1. The Bidder has carefully examined all the Contract Documents which will form a part of the contract; namely, documents consist of Notice Inviting Bids; Information for Bidders; Summary and Bid Schedule; Firm Identification; List of Subcontractors; Equipment/Material Source Information; Noncollusion Affidavit to be Executed by Bidder and Submitted with Bid; Bid Bond; Contractor's License Declaration; Firm's Experience; Firm's References; Agreement; Faithful Performance Bond; Labor and Materials Bond; Escrow Agreement for Security Deposits in Lieu of Retention; General Provisions; Special

Provisions and Technical Specifications; and any Addenda issued prior to the submittal of this Proposal. Also included shall be any and all supplemental written agreements approved as required by these Contract Documents amending the scope or cost or extending the time of completion of the Work contemplated and which may be required to complete the Work in a substantial and acceptable manner.

2. The Bidder has satisfied itself as to the nature and location of the Work and fully informed itself as to all conditions and matters which can in any way affect the Work or the cost thereof.

3. The Bidder fully understands the scope of Work and has checked carefully all words and figures inserted in this Proposal and further understands that the City of La Palma will in no way be responsible for any errors or omissions in the preparation of this Proposal.

4. The Bidder has given the City Engineer written notice of all omissions, conflicts, errors or discrepancies that the Bidder has discovered in the Contract Documents, and the written resolution thereof is acceptable to the Bidder.

5. The Bidder agrees and acknowledges that it is aware of the provisions of Section 3700 of the Labor Code which require every employer to be insured against liability for worker's compensation or to undertake self-insurance in accordance with the provisions of that Code, and that the Bidder will comply with such provisions of that Code before commencing the performance of this contract if it is awarded to the Bidder.

6. The Bidder hereby certifies that it is, and at all times during the performance of work hereunder shall be, in full compliance with the provisions of the Immigration Reform and Control Act of 1986 ("IRCA") in the hiring of its employees, and the Bidder shall indemnify, hold harmless and defend the City against any and all actions, proceedings, penalties or claims arising out of the Bidder's failure to comply strictly with the IRCA.

7. The Bidder will execute the Agreement and furnish the required bonds, together with the certification of insurance required, within fifteen (15) calendar days after the award of the Contract.

8. The Bidder will not begin work unless and until all requirements in regard to bonds and insurance have been satisfied, and the Bidder will complete said Work within the period of time specified in the Notice Inviting Bids.

9. If requested by the City, the Bidder shall furnish a notarized financial statement, references, and other information sufficiently comprehensive to permit an appraisal of its current financial condition.

10. Prior to and as a condition of entering into an Agreement for the Work scheduled herein on which it submits a bid, the Bidder shall provide the City with proof of the Bidder's and all subcontractors' current registration to perform public work pursuant to Labor Code Section 1725.5.
