

**CITY OF LA PALMA
COMMUNITY SERVICES DEPARTMENT**

ADDENDUM NO. 1

**WATER MAIN INTERCONNECT PROJECT
CITY PROJECT NO. 21-WTR-02**

FEBRUARY 9, 2021

TO ALL BIDDERS:

The following addendum provides the following information to be incorporated into the bid documents per this addendum;

1. Piping Supplier:

Note 1, indicating all piping shall be supplied by Northwest Hydro Tech. The City SHALL NOT require the interconnect or other piping supplies, valves, spools, mj Joints, etc be supplied by Northwest Hydro Tech. The City requires all piping supplies to comply with the Specifications at the most reasonable price.

2. La Palma City Water Standards

The City has outdated City Water Standards, therefore all equipment shall comply with the latest edition of AWWA Standards. All pipe joints shall utilize mechanical joints on all pipe connections..

3. Trench Backfill

To eliminate confusion between the plans and specs; The project plans govern and require that the bedding, shading and backfill, up to the bottom of base rock, shall be 1 sack slurry. In the areas of concrete encasement, the area above the concrete encasement shall be 1 sack slurry backfill.

4. Paving Section

The structural section for the trench paving shall be 6 inches of aggregate base course on top of the slurry; 6 inches of B mix Base AC paving with 4 inches of ARHM on top of the base AC paving.

5. Thrust Plates

No thrust plates will be required for the project.

6. Pre-Bid Sign In Sheet

Attached is the Mandatory Pre-Bid Meeting Sign-in Sheet. Only the firms listed on the sign-in sheet are eligible to submit a bid for the project.

No other conditions in the bid documents are changed.

Please sign below and attach this "ACKNOWLEDGMENT OF RECEIPT", Addendum No. 1 with the bid submittal documents. Thank you for your cooperation.

Sincerely,

Douglas Benash, P.E
City Engineer
